# THE 1958 BRUINS

**RETURNING VETERANS**—27 letterman. They include five ends, five tackles, five guards, one center, three blocking backs (quarterback), four tailbacks (left halfback) three wingbacks (right half) and one fullback. Most notable move was starting right End Jim Steffen to tailback in spring practice.

**SENIORS PENALIZED FIVE (5) GAMES ELIGIBILITY BY PACIFIC COAST CONFERENCE ACTION**—Seven men, including two at tackle and one each at end, guard, center, quarterback and tailback. They are all possible starters—Center Dick Butler, left Tackle Jim Dawson, Quarterback Steve Gertsman, right Tackle Bill Leeka, Tailback Don Long, left End Dick Wallen and left Guard Clint Whitfield. Ruling calls for them to play five consecutive games of their choosing. The choice will be made sometime before the first game.

**OTHER LOSSES** Nine lettermen, one end, three tackles, one guard, two centers, two fullbacks. These include such outstanding stars as Fullback Barry Billington and Center Dan Peterson, both regulars; part-time left guard Starter Kurt Lewin; Craig Chudy, a very promising end; and Center Dennis Dressel, another top prospect.

**PROMSING SOPHS**—A rather meager return from the 1957 freshman squad, but Tailback Dean Moore appears to be promising.

**FROM "RED SHIRT"SQUAD**—Several members of last year's "scrubs" are being counted on to help the varsity. Top prospects are left End Marvin Luster, the 14.3 and 23.1 hurdler; Nathan "Skip" Smith, a fine running fullback "promiser"; right End Chuck Berry and right Tackle Tony Longo.

**OTHER RETURNEES AND TRANSFERS**—Left Guard Jack Metcalf, 205, transfer from El Camino JC; and possibly Dick Morr, 205, c, Ventura JC, Al Story, 175, qb, Orange Coast College; and Bob Brown, 190, fb, Harbor JC.

**OFFENSE**—UCLA again will emplay the Red Sanders balanced-line single wing attack that has made him America's most winning coach, aside from Oklahoma's Bud Wilkinson. More experience, at least for five games, better all-round running, passing and receiving make the Bruins a promising team for this fall. Success, however, will depend on some come-through performances and on how some position changes develop, notably that of Steffen from right end to tailback. In spring drills, he was the sensation of the 20-day session with his strong running and portside passing and punting.

**PASSING**—With the burden of the aerial game resting on the Bruin tailback, success in this department will rest largely with returnees Don Long, Kirk Wilson and Chuck Kendall, along with Steffen, who surprised everyone in spring drills. All of UCLA's passing power returns from last year, plus virtually all of the receiving talent, including 1957 All-American Dick Wallen at left end, where he led pass-catchers with 20 for 303 yards and three touchdowns.

**THE OUTLOOK**—Much the same as 1957—this could be an inspired, determined, well-drilled TEAM, but still hampered by PCC penalties. The running attack and passing game could

# THE 1958 BRUINS

*(Continued)*

both improve, however. There will be a definite drop in the line due to the five games that seniors will be playing, but the loss in the backfield will not be as great when the seniors "graduate", except possibly for the loss of all-round performer Don Long, who is the tailback to beat out. The Bruins still have outstanding punter Kirk Wilson, who averaged 41.97 yards last fall. Much, however, will depend on the inspiration and determination of the squad against a schedule that looks 25 per cent tougher than last year. There is some consolation that this is the last season the Bruins will play under PCC restrictions.

# SINGLE WING MASTER

## Henry R. "Red" Sanders
## Head UCLA Football Coach

HENRY Russell "Red" Sanders, one of the nation's outstanding football coaches and rated the country's No. 1 single wing mentor, boasts the enviable record of having only one losing season in 15 years of head coaching, including six at Vanderbilt and now nine at UCLA. He's the dean of all Pacific Coast Conference football coaches.

The 1958 season will be his 30th year in the coaching profession, 14 as a prep and assistant collegiate mentor before taking over the head job at Vanderbilt, his alma mater, in 1940. His all-time head coaching record now reads 102 victories, 41 defeats and three ties for a winning .708 percentage.

His only losing season was his first one at Vandy in 1940. Since then his teams have enjoyed winning campaigns, topped by his undefeated 1954 Bruin varsity which won nine straight in capturing the Pacific Coast Conference title and being rated the mythical national champions by both the United Press and the Football Writers Associations of America polls.

Noted as a coach who has never failed to finish higher than he was doped by the experts, Sanders has turned out soundly-drilled and high-spirited UCLA teams which have won 66 games, lost only 19 and tied one for a winning .773 percentage. His Bruins have finished first three times (1953-54-55), second four times (1949-51-52-56) and third twice (1950-1957) in the final PCC standings.

After being a close runner-up in the 1953 balloting, Sanders was voted the 1954 "Coach-of-the-Year" by his fellow members of the National Collegiate Football Coaches Association in the annual poll conducted by the New York World-Telegram & Sun. He was also accorded the same honor in 1954 by the Touchdown Club of Washington, D.C. He became the first coach ever to be named "Football Coach of the Year" three years in a row (1953-54-57) at the Los Angeles Times National Sports Award Dinner.

Sanders has also served as president of the PCC Football C aches Association and vice-president of the National Collegiate Football Coaches Association. Another of Red's most distinctive honors came when he was voted "Los Angeles' Outstanding Citizen of 1950" in a poll conducted by the Los Angeles Mirror. He received more votes than such prominent Angelenos as Chief of Police William Parker, Judge Mildred Lillie and Comedian Bob Hope.

Sanders also gained national recognition on the coaching staffs at the 1946 Blue-Gray Game at Montgomery, Ala.; the 1951 East-West Shrine Game at San Francisco; the 1952 College All-Star Game at Chicago; and the 1952 North-South Shrine Game at Miami, Fla.

In nine seasons at UCLA, Sanders has established the Bruins as one of the most respected football powers in the U.S. He has the knack of getting the most out of his material and has built a winning tradition at UCLA. Since Red came to UCLA in 1949, nine Bruins have made major All-American first teams, including Center and linebacker Donn Moomaw (1950-52), Halfback Paul Cameron (1933), Tackle Jack Ellena

(1954), Guard Jim Salsbury (1954), Fullback Bob Davenport (1954-55), Guard Hardiman Cureton (1955), Guard Jim Brown (1955), End Rommie Loudd (1955), and Dick Wallen (1957).

Sanders lived and coached all his life in the South before coming to UCLA. Born in Asheville, N.C., on March 7, 1905, he moved to Nashville, Tenn., when he was two. He attended Davidson County Central Hi in Nashville and later graduated from Riverside Military Academy, Gainesville, Ga., in 1923.

Entering Vanderbilt in 1923, Sanders lettered four years each in baseball, football and basketball. He was Vandy's baseball Captain in 1927. He played quarterback at the same time All-American Bill Spears performed at Vandy. The late Dan McGugin, his coach, remarked that "Sanders has one of the best football brains I have ever known."

Incidentally, "Red" is a nickname tacked on him in childhood by an uncle and has nothing to do with the color of his hair, which is iron-grey.

Red's first coaching job was as backfield aide in Clemson in 1927. He also played pro baseball for three years following graduation from Vanderbilt. He then moved to Columbia (Tenn.) Military Academy as head coach in 1931, then to his prep Alma, Riverside, in '34. During his eight-year career at these two schools, he compiled one of the finest prep records in Southern history, winning 55 games, losing only four and tying two. In 1938, he was freshman coach at Florida and next backfield tutor at LSU. Vanderbilt paged him in 1940. There against top competition, Sanders six-year record (1940-41-41-46-47-48), was 36 wins, 22 defeats and two ties.

Sanders, who brought to the West Coast such outstanding grid tactics as the balanced-line single wing, has always coached the single wing. He also originated the now famous 4-4 defense, copied by college and pro mentors alike all over the nation; developed the "squib kick" as substitution for the out-of-bounds punt; and exploited and popularized the now almost universally used spread punt formation.

The Sander attack features plenty of passing and running power and also occasional short punt formation.

Red served as a Navy Commander in World War II. He is married to the former Ann Daniel, of Lakeland, Fla., an alumnae of Florida State University and holder of a masters degree from the University of North Carolina.

The Sanders now call Los Angeles their home. They moved early in 1956 into a new home in the Brentwood residential area a few miles from the UCLA campus. Red is an avid golfer during the off-season and shoots in the high 70's.

# THE STAFF

## GEORGE W. DICKERSON—(UCLA '37)

### Senior Assistant

This is George Dickerson's second season as Red Sanders' senior assistant, his ninth year as a member of the Bruin varsity staff and his 13th campaign as a grid mentor at Westwood. For the first four years (1946-49), he served as the head frosh mentor before Sanders moved him up to the varsity staff in '50. When Jim Myers resigned following the '56 season to become the headman at Iowa State (he's now at Texas A&M), George was elevated to senior aide.

Dickerson works with the linemen and has been am important reason why Bruin forward walls are always among the strongest in collegiate ranks. He was a standout tackle at UCLA under Bill Spaulding for three years (1934-36), serving as varsity captain in his senior season. He prepped at Fairfax High in Los Angeles.

Following graduation in '37, he coached a year at Arroyo Grande High in northern California, followed by four years at Tracy (Calif.) Union High. He then joined the Navy in 1942 and served for nearly four years, being discharged in '46 with the rank of lieutenant. He then returned to UCLA—and has been here ever since. Sanders retained George as had frosh coach when he came to Westwood in 1949.

Dickerson is married to a former UCLA coed, Betty Axline, class of '36, and they have one son, George, Jr., 14.

## WILLIAM F. "BILL" BARNES—(Tennessee '41)

### Assistant

This is Bill Barnes' ninth year on the UCLA staff. He heeded Red Sanders' call in 1950 and has been doing an outstanding job with the ends ever since—and also heads up the scouting of UCLA's opponents. He served as end coach and scout at University of Arkansas for four years (1946-49) before coming to Westwood.

Bill prepped at Central Memphis (Tenn.) High where he was picked on the 1935 All-Southern High School All-Star team. He then entered Tennessee where he starred as a wingback (1937), a blocking back on the 1938 Vol team which beat Aklahoma in the Orange Bowl and an end on the 1939 Vol team which lost to SC in the Rose Bowl. Bill served as an assistant coach and scout at Tennessee in 1940.

Barnes served in the Army (1942-46) and was discharged with the rank of major. He then signed with Arkansas. He's wed to the former Frances Tow, whom he met while coaching at Arkansas.

## HERBERT B. "DEKE" BRACKETT—(Tennessee '34)

### Assistant

Deke Brackett came to UCLA at the same time (1950) and from the same place (University of Arkansas) as his good buddy Bill Barnes. In fact, Deke was at Arkansas the same four years (1946-49) as Barnes, serving there as backfield coach and also head baseball mentor. Brackett has turned in a standout job in working with the Bruin backs.

After prepping at Knoxville (Tenn.) High, he entered Tennessee in 1930 and won honorable mention on the late Grantland Rice's 1931-32-33 All-American teams as a quarterback. The 1931-32 Vol teams were undefeated. He graduated

in 1934 after serving as student body president during his senior year. Deke then worked as an assistant coach at his alma mater before moving on to The Citadel in Charleston, S.C., for two years (1937-38) as an assistant football and head baseball coach, followed by two years in the same capacity at Hampden-Sydney College, Va. The years 1942-46 found him in the Navy, from which he was discharged as a lieutenant commander.

Deke is wed to the former Hazel Bowman and they have two children, Herbert, Jr., 17, and Sallye, 10.

### JOHN L. "JOHNNY" JOHNSON—(UCLA '47)

**Assistant**

After eight years (1950-57) as UCLA's head frosh coach, Johnny Johnson has moved up to the varsity staff this season. He takes the place of Ray Nagel, who resigned early this year to become head coach at University of Utah. Johnny will work with the backs and also scout.

Johnson has done a superb job of coaching the Brubabes, usually shy on manpower, since he took over from George Dickerson in 1950 as the head frosh coach. His 1955 Brubabes were the first and only undefeated and untied yearling eleven in UCLA history.

After prepping at Bakersfield (Calif.) High in 1936-38, where he won All-San Joaquin Valley honors as a back, he came to UCLA and captained the 1939 frosh team. He then missed a year of competition and returned as a Bruin fullback in 1941. He was in the Naval Air Corps from 1942-46 and was dicharged as a lieutenant. He returned to his alma mater in '46 and played on the PCC championship team of that season as a fullback.

He's the only bachelor on the staff.

### SAM BOGHOSIAN—(UCLA '55)

**Assistant**

This is Sam Boghosian's second year on the varsity staff. He was appointed to his present post last year when Jim Myers resigned. Sam assists George Dickerson with the line and works primarily with the guards, centers and linebackers. He also scouts.

It was only four seasons ago that Boghosian was an All-Coast guard on the Bruin's undefeated 1954 PCC championship team which was rated No. 1 nationally in two major polls. He then impressed in 1955 as an assistant frosh coach at his alma mater. He caught Red Saunders eye with the way he stressed aggressiveness, spirit and conditioning in his coaching.

After prepping at Fresno (Calif.) High where he was All-City lineman for two years and also All-Northern California, he came to UCLA and went on to equal stardom (1951-1954).

At the age of 26, Sam is rated a young coach with a fine future. He's a happy newlywed, having married the former Judy Busch last January.

### ROBERT L. "BOB" BERGDAHL—(UCLA '57)

**Freshman Coach**

Bob Bergdahl, the latest full-time addition to Sanders' staff, enters his first year as head frosh coach. He replaces Johnny

*(Continued)*

Johnson, who has moved up to the varsity staff. Last year, Bob did a fine job in assisting Johnson as a Brubabe aide.

Bergdahl is rated one of UCLA's all-time best quarterbacks (blocking backs) and also starred in Rugby for four years. Following a good frosh season in 1953 when he was elected honorary captain, he joined the varsity the next season and backed up the great Terry Debay at blocking back on the Bruins' PCC and national championship team. He was the starter at this post the next two seasons and won All-Coast honorable mention.

Bob prepped at Fairfax High in Los Angeles where he lettered in both football and track, winning All-Western League grid honors in his senior year.

His father, Len Bergdahl, was a great UCLA quarterback for Bill Spaulding in 1930-31-32. Bob is married to the former Judy Berry and they have a cute little daughter, Jill, born last March.

**UCLA all-time record against Pittsburgh:**
**First meeting in history**

Last year, the Panthers invaded the Pacific slope for two games and went home with victories over Oregon's Rose-Bowl-bound Webfoots (6-3) and SC (20-14). This season, the Pitt target in the Far West is UCLA. Reports from the Smoky City indicate the '58 Pittsburgh team will be stronger and have more depth than last year. The Panthers boast 19 returning lettermen compared to 10 last year. Also, Pitt is reported to have had an outstanding frosh team last year. Indications are that the Panthers will pass more this season—more than any John Michelosen team since he became coach prior to the '55 season. The Split-T will be used again and like all Michelosen teams this one will be well-conditioned and hard-driving. The Panthers are loaded at fullback and halfback. The four top 1957 Pitt ground gainers are returning, including fullbacks Fred Riddle and Bob Stark and halfbacks Joe Scisly and Dick Haley. Riddle led the way by netting 407 yards on 76 carries for a 5.4 average, followed by Stark with 371 - 90 - 4.2, Scisly with 352 - 67 - 5.3, and Haley with 349 - 103 - 3.4. Also back are the team's leading passers, quarterbacks Bill Kaliden and Ivan Toncic. Kaliden last year hit

on 40 out of 93 for 519 yards and two TDs, followed by Toncic with 24 out of 50 for 436 yards and five TDs. At end the Panthers boast one of America's truly great ends in Art Gob (6-4, 215), who caught the winning TD against Oregon last year and also blocked a punt against SC. In the line, the big question-mark is tackle. Pitt insists this is a question-mark team — and the success of its 1958 season probably depends on this first game against UCLA.

**Widest margin of victory for UCLA: 10 points (16-6 in 1957)**

**Widest margin of victory for Illinois: 31 points (45-14 in 1947 Rose Bowl game)**

Last year, the Bruins beat the Fighting Illini for the first time. This season, UCLA anticipates one, if not the toughest game of '58 at Champaign. "We'll win or lose with veterans from last year's squad, which compiled a 4-5 record, and a group of sophomores which isn't particularly outstanding." That's Coach Ray Eliot's thumbnail summary of prospects for Illinois' 1958 football season. The veteran Illinois mentor, dean of Big Ten coaches, doesn't discount the value of 22 lettermen who will be available. Illinois will have an experienced first unit, but Eliot fears depth will be a problem. The Illini have seven 1957 first stringers returning, including six in the line and one in the backfield. Three experienced guards (Dave Ash, Bill Burrell and Bob Allen) and three experienced tackles (Carl Johnson, Don Yeazel and Ron Nietupski) should give Illini capable first-team men at four line positions. Only backfield starter back is Jack Delveaux (6-1, 215) at fullback where he averaged 4.4 yards a crack last year. Other solid ball packers back are halfbacks Don Grothe with a 5.3 average, L. T. Bonner (4.4) and Dejustice Coleman (3.9). Although his regular QB last year, Tom Haller, has signed a professional baseball contract, Eliot still has two veterans returning at this key position, Bill Offenbecher and Bob Hickey. Hickey hit on 11 out of 26 passes for 246 yards and one TD, with Offenbecher connecting on five out of 13 for 55 yards. It is expected that Rich Kreitling, regular end and the team's leading 1957 pass receiver, will be completely recovered from a rib injury. Some 22 newcomers moved into the first four teams during spring practice and figure to help.

Spirit again is high at Illinois and Eliot was encouraged by the willingness shown during spring drills.

**1957 Football Record: Won 8, Lost 2**
**Returning Lettermen: 21**

**UCLA all-time record against Oregon State: W-14, L-5, T-3**

**Widest margin of victory for UCLA: 61 points (61-0 in 1954)**

**Widest margin of victory for Oregon State: 28 points (28-0 in 1948)**

Last year, Oregon State tied with Oregon for the PCC title with a 6-2 record. This season, the Beavers loom just as tough and if they can find a top replacement for departed tailback Joe Francis they could be even tougher. OSC figures to have more team depth than at any time since the "winning" Single Wing expert Tommy Prothro arrived at Corvallis. Returning are such standouts as All-Coast center Buzz Randall, All-PCC second team wingback Earnel Durden, All-PCC and All-Coast second team fullback Nub Beamer and fullback Jim Stinnette, blocking back Gary Lukehart, All-PCC second team tackle Ted Bates, guard Jim Brackins and end Don Thiel. Guard Sonny Sanchez, who didn't play last year because of disciplinary action by Prothro, could be of great help. Last year's frosh team was undefeated and had more prospects on it than any at OSC since 1950. Prothro held three tailbacks out of action last year. They were Grimm Mason, Dainard Paulson and Leon Criner, all sophomores. Mason is the pre-season pick to step into the starting spot. Other tailback candidates will be Larry Sanchez and Tony Arana, lettermen, and Earl Harbin and Mark Holbrook, up from the frosh team. In other words, the Beavers will have solid backfield depth and will be almost equally solid up front. Oregon State looms as the PCC team to beat in '58 . . . again!

Last year, the Gators were scheduled to play the Bruins in the Coliseum but were forced to call the game off because of an Asian flu attack which struck its entire squad. This season, this Southeastern Conference power comes to Los Angeles with an even stronger team, including 22 lettermen and plenty of promising sophs. Running its variation of the T attack is Jimmy Dunn, the tiny magician of 140 pounds who is back for his third season as its No. 1 quarterback. A skilled ball handler, superior runner and passer and a clever defensive man, Dunn completed 14 out of 32 passes for 187 yards and two TDs last year. Dunn has a capable replacement in Wayne Williamson (178), who was coming strong at the end of the '57 campaign. The Gators also have a standout all-around halfback in Bernie Parrish (193), who not only runs and passes well but also is rated by the Florida coaching staff as the finest blocker among the SEC halfbacks. Parrish topped the Gators in rushing and scoring last year with a 5.5 average and 44 points, including 14 out of 16 PATs. Other stars include end Don Fleming (185), equally good on offense or defense; 230-pound Vel Heckman at tackle, one of the best in the South; no less than FIVE exceptional guards, headed by first stringers Asa Cox (210) and Vic Miranda (210); and Gene Graves (208) and Joe Hergert (211), capable seniors at center. The Gators are a colorful football team, which can score on the long run, throw from either halfback spot, will quick kick on you and generally play a wide-awake game.

Last season, the Huskies won only three games. This year, they look for an improved campaign for several reasons, even though they lose such standouts as All-Coast fullback Jimmy Jones and All-Coast guard Whitey Core. Primary reason for improvement is a tremendous step-up in their passing attack. For the past two seasons, Washington has ranked at the bottom of the PCC in passing, last fall completing only 31 aerials in 92 throws. Three untried, but promising, newcomers figure to correct this situation. Bob Hivner, who quarterbacked Compton JC to the Little Rose Bowl in 1956, is the best bet to win the starting nod. But a couple of QBs who alternated at the helm of the Huskies' strong 1957 frosh team, Bob Schloredt and Phil Borders, will press him hard. All three are adequate passers now with real potential. Washington won't have the wealth of running backs it had in 1955-56-57 and the line will be green. But the Huskies have one other plus-value to go with their better passing — they are looking forward to their second year under Jim Owens, a Split-T expert. They were handicapped the past two seasons by having to get acquainted with new mentors. (Darrell Royal held forth during 1956 only). The top Husky back figures to be senior Mike McCluskey, a reliable and hard-running left half who has gained 683 yards the past two years. Carver Gayton, his mate at right half, could be a surprise. Don Armstrong has shown plenty of ability at guard despite weighing only 177. Look for the Huskies to start bouncing back in '58.

Last year, Stanford was one of only two teams to beat the Bruins. This season, the Indians come to Los Angeles with a colorful and talented new coach, Jack Curtice, formerly of Utah, but minus the classy quarterback, Jackie Douglas, who turned in a sensational all-around performance against the '57 Bruins. Curtice's big job is to find a capable replacement for Douglas. Douglas' understudies, Bob Nicolet (181) and Sid Garber (184), are rated the best prospects at this key T position. Both have shown real promise. The Tribe also lost its other backfield starters, Al Harrington and Jack Taylor at halfbacks and Chuck Shea at full. Doug Dick

(185), a talented fullback who sat out last year with injuries, returns. Two other classy ball packers are fullback Rick McMillen (190), Stanford's No. 3 rusher last year with a 4.11 average, and halfback Jim Byrer (188), who boasted a 5.60 average. The Tribe appears solid in the line with such stars as Joel Freis (178) and Ben Robinson (217) at ends, All-Coast Troy Barbee (232), Eric Protiva (222), Chris Plain (235) and Ty Polich (201) at tackles, Bob Peterson (196) at guard and Russ Steele (216) at center. Stanford has plenty of manpower, including 22 varsity lettermen, 10 non-lettermen from the '57 squad, 21 candidates up from the '57 frosh team, 24 members of the '56 frosh squad, and assorted others. Although the Indians may have their problems, especially at quarterback and guard, they figure to be a dangerous and spirited team, as always, under their highly-regarded new gridiron chief.

Last year, the Cougars were in the thick of the PCC title chase all the way and wound up a close fourth with a 5-3 record behind Oregon State (6-2), Oregon (6-2) and UCLA (5-2). This season, the Cougars could take it all with 24 lettermen returning. In fact, WSC lost only eight players from its entire 1957 squad and so will have more team depth than it has had in years. In passing wizard Bob Newman, the Cougars have an outstanding All-American candidate at QB. He won All-PCC and All-Coast honors last year and led the conference in passing and total offense. Newman has two outstanding targets in All-Coast end Don Ellingsen and end Jack Fanning for the nucleus of another brilliant passing game. And in left half Carl Ketchie the Cougars have one of the best running backs on the Coast. WSC's problems this fall are familiar — unknown strength on defense and need for improvement in the running game. The Cougars also must find a replacement for Bunny Aldrich, whom Coach Jim Sutherland has called the finest second-string QB in the nation. WSC is counting on help from its large crop of promising sophomores up from the strong 1957 frosh squad. Coach Sutherland has

compiled a 9-10-1 record in two seasons at WSC and has brought the Cougars back into prominence in the Coast gridiron picture. They could hit the top in '58 and wind up in the Rose Bowl.

Last year, while learning Coach Pete Elliott's intricate Split-T offense, the Bears struggled through a season that saw them lose nine games while winning only one. This season, the Bears will be vastly improved and while it is not likely they'll turn their 1-9 record around they should certainly win more than one game. There are some obvious "reasons" why Cal should field an improved team. First of all, they are much more familiar with the style of play that Elliott teaches. Secondly, there is more speed in the Cal attack, both offensively and defensively and both in the line and in the backfield. Finally, there's more experience on the '58 squad. The Bears have 16 1957 lettermen and two 1956 lettermen returning. Returning for the key post of QB is Joe Kapp, who won All-PCC second team honors last year. Backing him up is Gus Gianulias, another talented QB who was out with injuries last year. The Bears also have a pair of standout halfbacks in hard-running Jack Hart and Hank Olguin. Topping the 12 vets in the line are center Bob Chiappone and guard Pat Newell. Cal is also counting on real help from its great undefeated 1957 frosh team, including such potential stars as center Andy Segale, guard Roland Lasher, fullback Walt Arnold and tackle Jeff Snow. Look for the rebounding Bears to be mighty tough in '58.

Last year, the Webfoots tied for the PCC title and also earned national respect with their tremendous Rose Bowl effort last Jan 1 when they dropped a heartbreaking 10-7 decision to heavily-favored Ohio State. This season, Oregon will field another strong team, another title contender, only this year the Duck strength lies in the line rather than the backfield. The 21 returning lettermen include five regulars from the 1957 starting lineup and 10 of the 11 players who made up the second unit last fall and contributed greatly to the '57 success story. Oregon will be paced by All-American end candidate Ron Stover (6-3, 200), who set an all-time major bowl record last New Year's Day with 10 receptions. Other line regulars on hand are center Bob Peterson (194), guard Bob Grottkau (211) and tackle Jim Linden (221). The remainder of the starting forward wall will be made up of last year's come-through second stringers including Alden Kimbrough (185) at end, Darrell Aschbacher (215) at tackle and either Joe Schaffeld (189) or Will Reeve (220) at guard. Only backfield regular back is Charlie Tourville, an under-rated halfback who averaged 4.5 yards per carry and completed 7 out of 12 passes last year. And so the Ducks must replace three quarters of the best backfield in the West last year, quarterback Jack Crabtree, halfback Jim Shanley and fullback Jack Morris, but the outlook here is not as dim as might be expected. Besides Tourville, the Ducks have six other promising halfbacks, including speedy Willie West. Marlon Holland, another speedster, is the best bet at fullback. At quarterback it will be a wide open fight, with lettermen Paul Grover and Sandy Fraser battling with Dave Grosz, a classy soph who was held out last year. If one of them comes through as Crabtree did in '57, the bulk of Coach Len Casanova's problems will be solved.

**Widest margin of victory for SC: 76 points (76-0 in 1929)**

Last year, it was a long one for the Trojans with only one victory to celebrate. This season, look for SC to be the most improved team on the Coast. With a dismal opening campaign behind him, Coach Don Clark is looking forward to a more typical Trojan season in his second year at the SC helm. The Trojans have 24 lettermen on hand, including three first-string backs who are limited to five games. This trio consists of halfbacks Tony Ortega and Rex Johnston and fullback-quarterback Jim Conroy. Clark will probably open the season with a backfield consisting of soph speedster Angelo Coia, the big 1958 Trojan hope, and another soph, Jerry Traynham, at the halfbacks with converted halfback Clark Holden at fullback. The QB chores will be divided again this season between Willie Wood and Tom Maudlin. The Trojans figure to be faster and tougher up front where senior guard Frank Fiorentino (203) ranks with the best. Soph Mike McKeever (216) looks like the best bet at the other guard with soph Dan Ficca (247) opening at one tackle and senior Monte Clark (255), another standout, at the other. The end situation has been bolstered by the return of Hillard Hill (180) following a kidney ailment. Letterman Don Douglas (200) had a fine spring and appears to be the other starter at end. Sophs George Van Vliet (190), Marlin McKeever (215) and Luther Hayes (198) add a bit of depth to the flanks, one of 1957's most serious trouble spots. At center, soph Bob Edwards (200) made a fine spring showing and stole the play away from seniors Ken Antle (191) and Joe Chuha (218). SC will be depending to a great extent on come-through performances from their sophomores in '58. To be successful the Trojans must remain injury-free since the squad is dangerously thin in top-flight talent.

Bob Mackey, 170 (RH)
Bob Brown, 190 (RH)

Note: A "rule of thumb" in placing of certain men on defense is as follows: tackles are always reversed on defense; centers and quarterbacks (blocking backs) are always linebackers on defense; fullbacks and right halfbacks are always defensive halfbacks; and left halfbacks (tailbacks) are always safety men on defense.

# THUMBNAIL SKETCHES OF BRUIN PLAYERS

## LEFT END (ALSO LEFT END ON DEFENSE)

**JOHN HENRY BROWN**—Senior; two-year letterman; played 51 minutes last year and 56½ minutes in 1956. A solid reserve who spelled All-America Dick Wallen and John Pierovich last year, he is strong on defense and has good hands, good speed. Didn't catch any passes last year but caught one for 18 yards in '56. Won two football letters under Coach Jim Blewett at Manual Arts Hi in Los Angeles. Won letters in football and track at East Los Angeles JC during 1955-56 school year. Business Education major. Kappa Alpha Psi fraternity.

**MARVIN EUGENE (MARV) LUSTER**—Sophomore; one-year "Redshirt Squadman" who did not see action last fall. This extremely speedy gridder has been moved from wingback to end and shows fine promise. Has been a star hurdler on the Bruin track varsity for two years (1957-58), with best times of 14.3 and 23.1 this season. Won three letters in football and two in track at Belmont Hi in Los Angeles. Earned All-City honors in football under Coach Felix Pennino. Won letters in football and track at Los Angeles CC. Business Administration major.

**JOHN EDWARD PIEROVICH**—Junior; one-year letterman; played 139½ minutes last year. Came out of nowhere last year to become a real capable end. Caught 4 passes for 40 yards and carried ball once on double reverse for 13 yards and TD against Washington. Also returned punt 6 yards. Won four letters each in football and baseball and three in basketball at Jackson, Calif. Hi. Got football teaching under Coach Brooks Golden. Also was student body president. Physics major. Beta Theta Pi fraternity.

**RICHARD ALVIN (DICK) WALLEN**—Senior; two-year letterman; played 399 minutes last year to wind up as the "ironman" of the team and 340 minutes in 1956, second greatest amount of the sophomore gridders. One of seven UCLA seniors who will be limited to five games this fall by PCC edict. Consensus All-America and unanimous All-Coast end last year. Picked on All-America first teams by AP, INS, Look Magazine (Football Writers Association), American Football Coaches Association, Football Digest, NBC and on second teams by UP and Hearst. Won the coveted American Legion Trophy as UCLA's most valuable player last year by vote of the Los Angeles metropolitan sports editors. Also won the important W. J. Voit Memorial Trophy, annually presented to the outstanding football player on the Pacific Coast by vote of sports editors and sportscasters. Rated by Red Sanders as the best all-around end he's coached at UCLA with "the best pair of hands in college football." For the second straight season, led the Bruins in pass receptions with 20 for 303 yards and 3 TDs. His two-year record in receiving is now 43 catches for 611 yards and 5 TDs. Carried ball 3 times on end-arounds in '57 for a 2.66 average. His two-year record in rushing is now 11 yards on 4 carries for a 2.75 average. Tied with Kirk Wilson as the Bruins' top interceptor with 4 for 74 yards last year. Intercepted 1 pass and returned it 42 yards for a TD

in '56. Also led in recovering opponents' fumbles last year with 6, 4 of which were turned into TDs. Must still be considered strong All-America candidate despite five-game restriction. An outstanding all-around student, he won 11 letters in 4 sports (football, basketball, track and tennis) and was also student body president at Alhambra Hi. Won All- CIF honors in football and was "Player of the Year" in the Pacific League in 1954 under Coach Ed Sowers. Physics major. Beta Theta Phi fraternity.

### LEFT TACKLE (RIGHT TACKLE ON DEFENSE)

**ANTHONY WILLIAM (TONY) ALBANY**— Sophomore; broke leg before the first game and sat out entire season in '57; freshman letter winner in '56 as starting left tackle on team which won 1 game, lost 1 and tied 1. Has promising size and ability and may help. Won three varsity letters in football and track at San Joaquin Memorial Hi, Fresno, Calif. Learned his football under Coach Morrie Pratt. Was on 1956 Bruin freshman track team as shot put and discus performer. Business Administration major. Sigma Pi fraternity.

**JAMES (JIM) DAWSON**—Senior; two-year letterman; played 195 minutes last year and 327½ minutes in '56, third highest among the sophomores. One of seven UCLA seniors who will be limited to five games this fall by PCC edict. Served as 1957 Bruin varsity captain. Handicapped by shoulder injury last year which sidelined him completely in three games. Won AP All-Coast honorable mention. Although not big and rangy, is a quick, strong and aggressive performer. He and teammate Bill Leeka form the finest tackle combination on Coast. Prepped at Van Nuys, Calif., Hi, where he lettered two years under Coach Winston Tucker and was varsity captain in 1954. Physical Education major. Delta Sigma Phi fraternity. Is married to the former Colleen O'Sullivan, his high school sweetheart, and they expect their first child before football season.

**RODGER EVAN (ROD) FAGERHOLM**—Sophomore; one-year "Redshirt Squadman" who did not see action last fall; 1956 freshman letter winner. Has size (6-5, 240) to help this season. Lettered four years in football under Coach Gene Victor at El Monte, Calif. Hi. Engineering major. Delta Tau Delta fraternity.

**DAVID LYNN (DAVE) SMITH**—Junior; one-year letterman; played 85 minutes last year. Has good size (6-3, 215) and figures to improve. Won Rugby letter last spring. Won two football letters at Canoga Park, Calif. Hi, under Coach Ansel Breniman. Also competed one season in football at Valley JC. Zoology major. Delta Sigma Phi fraternity.

**JAMES ARTHUR (JIM) WALLACE**—Junior; one-year letterman; played 115½ minutes last year. Showed promise as reserve last year and looms as capable tackle this fall. Figures to move into starting spot when Jim Dawson, who is limited to five games, is not playing. Won All-Northern California prep honors at Fresno Hi in 1955 under Coach Erwin Ginsberg. International Relations major. Delta Sigma Phi fraternity.

## LEFT GUARD (ALSO LEFT GUARD ON DEFENSE)

**LAWSON RODNEY (ROD) COCHRAN**—Junior; one-year letterman; played 299½ minutes at right guard last fall, including a 53-minute stint against Washington, most of any Bruin player in one game all season. A much-improved performer with good quickness and hitting power, but he will probably be pushed by two-time letterman Clint Whitfield. Cochran is a good man at one of the team's strong positions. Won first string All-City tackle honors in 1955 at South Gate Hi under Coach Joe Seminario. Physical Education major. Delta Sigma Phi fraternity.

**JOHN ALLEN EMERY**—Sophomore; freshman letter winner last fall as a starting guard on Coach Johnny Johnson's Brubabe team. Needs a lot of work and experience to catch the top performers. Won All-League honors at Torrance Hi under Coach Jack Miller in 1956. Chemistry major. Phi Delta Theta fraternity.

**ROBERT JAMES (JACK) METCALF**—Sophomore; transfer from El Camino College after attending New Mexico Military Institute. A good-sized athlete who showed a great deal of promise in spring practice, he is one of the few newcomers who figure to move up to the variety squad this fall. He has fine speed and strength and could be an outstanding guard as he gains experience. Competed in track and won second team All-CIF guard honors in 1955 at Inglewood Hi under Coach Paul Manahan. Physics major. Phi Kappa Psi fraternity.

**CLINT CARSON WHITFIELD**—Senior; two-year letterman; played 370 minutes at left guard last fall, 292 the season before. Limited to five games by PCC action. A good, sound performer with speed and strength needed in the Sanders single wing, he was ill during virtually the entire spring semester and was excused from the 20-day football practice session. He may have lost ground at this time to Cochran, but should make a real battle of it when the season gets under way. An outstanding two-year UCLA heavyweight wrestling champion, he also had to skip that sport during the winter because of illness. Was All-City "Player of the Year" at Los Angeles Hi in 1954 under Coach Harry Edelson. Physical Education major. Delta Sigma Phi fraternity. Is married to the former Frances Madsen and they are expecting their first child in October.

**THOMAS TSUTOMU (TOM) YASUDA**—Junior; transfer from Santa Monica City College where he earned All-Metropolitan Conference honors as a tackle. Also competed in track as a shot putter. Showed some promise in spring practice, but needs plenty of experience to catch the top ones at this spot. Won All-Western League honors at University Hi, Los Angeles in 1955 under Coach Bob Beck. Advertising Art major.

## CENTER (LEFT LINEBACKER ON DEFENSE)

**HARRY LOUIS BALDWIN**—Sophomore; one-year Redshirt squadman who did not see action last fall. Showed great improvement and willingness in spring practice and could push for the top spot, especially after Dick Butler finishes the five-game

senior stint allowed him by the PCC. A real good "hitter" but lacks heft. Won third team All-CIF honors in 1955 at Mark Keppel Hi, Alhambra, under Coach Ed Austin and also competed in track and basketball. Physical Education major. Phi Kappa Psi fraternity.

**ROY WESLEY BENSTEAD**—Senior; one-year non-letterman; played 9½ minutes at this position last fall. Lacks heft, but is a good hard-hitting competitor who'll see a lot more action. Won two letters at El Camino JC before entering UCLA. Also won All-League honors at Inglewood Hi in 1954 under Coach Marty Ernaga. Physical Education major.

**RICHARD E. (DICK) BUTLER**—Senior; one-year letterman; played 131½ minutes at this position last fall. Limited to five consecutive games by PCC action. Could be a big help as he has ability to be a top center. A come-through performance would really help. Prepped for three years at Woodrow Wilson Hi, Long Beach, under Coach Skip Rowland, ex-Bruin star. Physical Education major. Delta Sigma Phi fraternity. Is married to the former Jo Ann McMillan and has two children, Richard E. Butler Jr., 2½, and Daniel Brady Butler, 1.

**RICHARD MELVIN (DICK) MORR**—Junior; transfer from Ventura College where he played both football and baseball. Showed some promise in spring practice, but he must make a big jump from junior college to PCC football. Competed in baseball and basketball and played one year of football under Coach Joe Saitta at Oxnard Hi. Management Psychology major. Morr is married to the former Jeni Ellison.

**BEN LEONARD TREAT**—Sophomore; freshman letter winner last fall as fullback, then followed up by finishing the freshman basketball season as a starting guard. An outstanding punter and quick reacting. Treat may be a good center prospect. A four-sport man at Kingsburg, Calif., Hi, he received his grid tutoring from Coach Charles Moore. Physical Education major.

**ROBERT G. (BOB) WALTERS**—Junior; one-year 1954 Redshirt squadman who did not see action last fall. He returned from military service in February. He was slated to perform at tackle before he went into the service. Three-year UCLA rugby letterman. Attended Antelope Valley JC before enrolling at UCLA. Won second string All-Ventura League honors in 1951 at Antelope Valley Hi, Lancaster, under Coach Getzi Harris. Political Science major. Sigma Alpha Epsilon fraternity.

## RIGHT GUARD (RIGHT GUARD ON DEFENSE)

**DAVE WARREN DABOV**—Sophomore; one-year Redshirt squadman who did not see action last fall. A good future prospect who needs experience to threaten the top ones at this position. Attended East Los Angeles JC before enrolling at UCLA. Won letters in football, track and gymnastics at Alhambra Hi and received his grid training from Coach Ed Sowers. Physical Education major. Phi Kappa Psi fraternity.

**LEE DUVALL DODSON**—Sophomore; one-year Redshirt squadman who did not see action last fall. Also needs exper-

ience to move up. Attended New Mexico Military Institute before enrolling at UCLA. Won 1956 All-League honors under Coach Clyde Dougherty at El Segundo Hi. Also competed in basketball and track. Geology major. Phi Delta Theta fraternity.

**RICHARD RAMON (JOE) HARPER**—Senior; two-year letterman; played 208½ minutes at this position last fall despite missing three entire games with an injured knee. Played 140½ minutes in '56. A fiery, well-grounded performer despite lack of size, he has been hard to move off the top spot. Typical of much of the UCLA line talent in recent years, Harper's strength lies in his quickness and agility. He is also a Bruin rugby letterman. He prepped at Glendale Hi under Coach Roy Vujovich, ex-Bruin end. Physical Education major. Sigma Nu fraternity.

**ROBERT JAMES (BOB) KING**—Junior; one-year letterman; played 68 minutes at this position last fall. A much-improved performer in spring practice, his strength, quickness and hitting power have moved him close to the top. With more experience, he could be a fine interior lineman. He attended Valley JC before enrolling at UCLA. Won 1956 All-Metropolitan Conference honors. Competed in football at Van Nuys Hi under Coach Winston Tucker. Business Administration major. Phi Gamma Delta fraternity.

**TOM GEORGE PATON**—Sophomore; freshman letter winner last fall as a starting guard. Has size to become a good guard but lacks experience to push the top ones yet. He played basketball and won second team All-Foothill League fullback honors in 1956 at Glendale Hi under Coach Roy Vujovich. Physical Education major. Delta Sigma Phi fraternity.

**MIKE RISKAS**—Senior; one-year letterman; played 60 minutes as left guard last fall. Broke an ankle on a trampoline prior to spring practice, however, and saw no action whatever. Should be a big help this fall providing his ankle does not bother him. Attended Los Angeles City College prior to enrolling at UCLA but did not compete in football. He was All-City tackle at Belmont Hi, Los Angeles, in 1951 under Coach Felix Pennino. Physical Education major.

## RIGHT TACKLE (LEFT TACKLE ON DEFENSE)

**DEAN BRENTON BETTS**—Sophomore; one-year Redshirt squadman who did not play last season. Has shown potential for the future but lacks experience. Played three years of varsity football at Van Nuys Hi, winning second team All-City honors in 1955 under Coach Winston Tucker. Business Administration major. Phi Gamma Delta fraternity.

**KENNETH LEE (KEN) GOODMAN**—Sophomore; freshman letter winner last fall as a starting tackle on Coach Johnny Johnson's Brubake team. Has size, but lacks strength and niftiness to move to the top yet. Attended Bent County Hi in Las Animas, Colo., and later won All-Southern League tackle honors at Los Angeles Hi in 1956 under Coach Harry Edelson. Business Administration major. Delta Sigma Phi fraternity.

**WILLIAM FRANCIS (BILL) LEEKA**—Senior; two-year letter-

man; played 369½ minutes at this position last fall, winning unanimous All-Coast honors and second team honors on the INS All-American team. Played 189 minutes the season before. Restricted to five games in 1958 by PCC action, however. Really just coming into his prime as a player, Leeka is what Coach Red Sanders termed "the best all-around tackle I've coached at UCLA." While not over-large, Leeka has all the strength needed by an outstanding tackle and a cat-like quickness and agility that has made him a terror to opposing linemen and backs alike. He is particularly effective in rushing the passer, but he can't be said to have a weakness on the basis of his 1957 efforts. Tab this one for an All-American candidate despite the five-game restriction. He should be great during his short season. He and running mate Jim Dawson, top man on the left side of the line, give the Bruins the best "pair" of tackles, possibly in UCLA history. Won the 1957 UCLA Coaching Staff Award for General Excellence. Won All-Pacific League honors at Alhambra Hi under Coach Ed Sowers. Was voted captain and "most valuable player" in senior year. Business Administration major. Beta Theta Pi fraternity.

**TONY JAY LONGO**—Sophomore; one-year Redshirt squadman who did not see action last fall. He started last year as right end but went to tackle this spring. May have the speed for tackle, but needs strength and experience. Attended Mt. San Antonio College before enrolling at UCLA. Won All-Pacific League honors as a back at Alhambra Hi in 1955 under Coach Ed Sowers. Business Administration major.

**PAUL WILLIAM OGLESBY**—Junior, one-year letterman; played 99½ minutes at this spot last fall. Largest of the top Bruin tackles, Oglesby may be outstanding before he finishes. He has the strength, size and quickness to be a standout and is a willing worker. He should take over in good style when Leeka finishes his five games. Oglesby won All-American JC honorable mention in 1956 at Riverside JC. Previously he had won All-CIF honors at Riverside Hi under Coach Howard White. Business Administration major. Beta Theta Pi fraternity.

**MICHAEL JOHN (MIKE) PROFIT**—Sophomore; freshman letter winner last fall as starting right tackle. Has capabilities of becoming a good performer. Was heavyweight wrestling champion, league shot put champ and All-League tackle at Campbell Hi, Los Gatos, coached in the latter sport by Jim Meier. Was shot putter on UCLA freshman track team this spring. Journalism major. Phi Kappa Psi fraternity.

## RIGHT END (ALSO RIGHT END ON DEFENSE)

**GLEN ALBERT ALMQUIST**—Junior; one-year letterman; played 77½ minutes at this position last fall although he began as a blocking back. A much-improved performer, he could move to the top. Has shown good hitting qualities, quickness, and pass catching ability. Statistically, he caught four passes for 67 yards last fall. A real pleasant surprise this last year. Lettered three years in football at Wallace, Ida., Hi under Coach Bob Hillard. Pre-Medical student. Phi Gamma Delta fraternity.

**CHARLES WAYNE (CHUCK) BERRY**—Sophomore; one-year Redshirt squadman who did not see action last fall. Having tried out at wingback and fullback, he may be at his best on the flank. He is willing and hard-hitting, but lacks experience. Won three football letters under Coach Al Irwin at Newport Harbor Hi, Newport Beach, Calif. Won All-Sunset League honors in 1955. Also a low hurdler in track. Physical Education major. Phi Kappa Psi fraternity.

**TRUSSE RUPERT NORRIS**—Junior; one-year letterman; played 31 minutes at this position last fall, but was injured and out of action much of the year. A good, hard-working performer, Norris should give the Bruins a solid competitor here although Almquist will make a battle of it. The younger brother of Clarence Norris, ex-Bruin end. In his short season last fall, Norris caught one pass for one yard, but this is not a good indication of his ability. He should be a good all-round wingman this fall. Lettered in football at Wheatley Hi, San Antonio, Tex., under Coach Henry A. Carroll and earned All-District honors. Also lettered two seasons in basketball. Physics major.

## QUARTERBACK OR BLOCKING BACK
## (RIGHT LINEBACKER ON DEFENSE)

**STEVEN (STEVE) GERTSMAN**—Senior; two-year letterman; played 301½ minutes at this position last year, 54 in '56. Limited to five games by PCC rule this fall. A rugby letterman, he has plenty of hustle to do a sound, steady job; but he has a lot of competition at this spot. Gertsman won the Capt. Don Brown Memorial Trophy last season as the "most improved player" on the Bruin team. In the statistical columns he caught five passes for 61 yards and two touchdowns and intercepted three for 41 yards in returns. He also kicked a 35-yard field goal against Illinois and made four out of six conversion attempts for a 19-point total. He won All-Western League honors in football at University Hi in 1955 under Coach Tom Wilcox. Finance major in School of Business Administration. Zeta Beta Tau fraternity.

**DONALD LEE (DON) KEITHLEY**—Sophomore; freshman letter winner last fall as starting quarterback on Coach Johnny Johnson's Brubabe team. Played baseball and won second team All-Ventura League football honors at Antelope Valley High School, Lancaster, under Coach Lloyd Helgeson in 1956. Also served as student body president. Pre-business major. Phi Gamma Delta fraternity.

**DAVE JEROME PETERSON**—Senior; two-year letterman; played 198 minutes at this position last fall after starting out as fullback; played 57 minutes in '56 at both quarter and full. A fine, fiery, tought competitor like his twin brother, Dan, the center who has completed his eligibility. Will help make a real battle for the top spot. Statistically, Pete carried the ball three times for 15 yards and caught three passes for 28 last fall. A rugby leterman. While at Santa Monica Hi, he won All-Bay League guard honors in 1953 under Coach Bob Stilwell. Physical Education major.

**ARTHUR WILLIAM (ART) PHILLIPS**—Junior; one-year letterman at quarterback; played 83½ minutes at this position last fall. A tremendously improved performer in the 1957 spring practice, he failed to come up to expectations in the fall, but again showed up well this spring until an ankle injury halted his workouts. He could be top man in the quarterback scramble this fall. Statistically, he caught three passes for 44 yards last fall. Attended Santa Monica City College prior to enrolling at UCLA. Lettered three years in football at Santa Monica and Universitl Hi, Los Angeles. His last prep coach was Bob Stilwell at Santa Monica. Also competed in baseball and track. Physical Education major.

**D. ALAN (AL) STORY**—Junior; transfer from Orange Coast JC. Showed promise in spring drills. Won All-Eastern Conference honors as end at Orange Coast JC last two years; also competed in track. Lettered in football, basketball, baseball and water polo at Anaheim Hi. Was All-Sunset League second team in football under Coach C. A. Van Hoorbeke. Also won all-league baseball honors and was team captain. Economics major. Phi Kappa Sigma fraternity.

## LEFT HALFBACK OR TAILBACK

## (SAFETY ON DEFENSE)

**VALDEMAR CHRISTIAN (VAL) KECKIN**—Sophomore; one-year Redshirt squadman who did not see action last fall. A big, strong-armed passer, Keckin as yet lacks the agility and running drive to threaten the top candidates. Won second team All-Western State Conference honors at Los Angeles City College before enrolling at UCLA. Also won second team All-Western League honors at Hamilton Hi, Los Angeles, in 1956 under Coach Frank Cullom. A Pre-Ministerial major.

**CHARLES BARTON (CHUCK) KENDALL**—Senior; one-year letterman; played 161 minutes at tailback last fall and 20 minutes at left end in '56. A "class" runner with a fine change of pace, Kendall was making a strong move to the top last fall when he injured a knee badly in the next-to-last contest against COP. An operation relegated him strictly to passing drills in spring practice; but he could give UCLA an outstanding tailback threat this fall. Statistically, he was the top Bruin ball-carrier last year with 388 net yards in 98 tries for 3.96 average. He also completed 16 out of 32 passes for .500 per cent, 254 yards and two touchdowns. He punted 11 times for a 34.18 average, returned one punt for 12 yards, 3 kickoffs for 37 and scored two touchdowns for 12 points. He won honorable mention honors on the coaches' All-PCC team last fall. Keep an eye on him in another close battle for the top tailback spot this fall. Attended Valley JC prior to enrolling at UCLA. Won second team All-Northern League honors as T-quarterback and short punt tailback at Verdugo Hi under Coach Ralph Rich. English major. Phi Delta Theta fraternity.

**DONALD JOSEPH (DON) LONG**—Senior; two-year letterman; played 189 minutes at this position last fall, 140 the season before. Relegated to five games of competition by PCC action. Has been UCLA's total offense leader the last two years.

# THUMBNAIL SKETCHES

Won honorable mention on both AP and UP All-Coast teams last year. Long was No. 2 Bruin in ground-gaining with 372 yards in 101 carries for a 3.69 average. He led passers with 35 completions out of 56 attempts for an outstanding .625 per cent, 479 yards and four touchdowns. He punted 15 times for a 36.33 average, caught two punts for an 11.5 average, three kickoffs for a 23-yard average and intercepted two passes. He scored eight touchdowns for 48 points to lead the 1957 team. His two-year totals show that he has carried the ball 157 times for 576 yards and a 3.67 average. He has completed 54 out of 94 passes for a .574 per cent, 722 yards and four touchdowns. Long must figure as top tailback until proven otherwise. His well-rounded personal play, sound play-calling, plus his inspirational fire, give him the edge over the other candidates. He won All-League honors in 1955 at Beverly Hills Hi under Coach John Morrow. English major. Beta Theta Pi fraternity.

**DEAN ARTHUR MOORE**— Sophomore; freshman letter winner last fall as both tailback and fullback on Coach Johnny Johnson's Brubabe team. Showed some promise and good willingness in spring practive, but may be a year away. Won 1955-56 All-Bay League back honors and '56 second team All-CIF honors at Redondo Union Hi under Coach Bob Cardona. Also played basketball and tennis. Pre-Medical student. Beta Theta Pi fraternity.

**JAMES WILLIAM (JIM) STEFFEN**—Senior; one-year letterman; played 368½ minutes as starting right end last year and won Bruin Bench "Rookie of the Year" award. He caught five passes for 93 yards and intercepted one for a return of six. A sound, hard-working performer of fine intensity, Steffen was moved to tailback last spring and turned out to be a sensation of the 20-day session. A real "foot-in-the-face" ball-carrier of the Big 10 stamp, he could move right to the top as he gains more experience. He will offer opponents a change of pace with his left footed kicking and southpaw passing. He is the brother of former Bruin Captain Art Steffen. Lettered in 1957 as regular left fielder on the Bruin baseball team but did not report this spring. He transferred from Occidental College in 1955. Lettered two years in football under Coach John Veeh at Tustin, Calif., Hi. Also lettered in basketball, track and baseball. Physical Education major. Phi Gamma Delta fraternity.

**WILLIAM KIRKLAND (KIRK) WILSON**—Senior; two-year letterman at this position; played 225 minutes last fall as alternate starter with Long. He won honorable mention on the All-PCC and both AP and UP All-Coast teams last season. Holder of the all-time football record nationally (49.3 yards per try) for punting in one season, Wilson has shown a steadiness that won several games for the Bruins over the last two years, including a 33-yard field goal to beat California, 16-14, a year ago. Statistically, he carried the ball 68 times for 295 yards and a 4.34 average last fall. He also passed 42 times for 18 completions and a .428 per cent, 276 yards and one touchdown. He punted 31 times for a 41.97 average and tied for fourth place nationally. He tied Wallen as leading pass interceptor with four for a return of 74 yards and also returned one punt for 3 and one kickoff for 21. He scored 19 points on

two touchdowns, one field goad and four out of 10 conversion attempts. His two year totals show 102 carries on the ground for 369 net yards and a 3.62 average; 33 pass completions in 86 attempts for 506 yards, .384 per cent and two touchdowns. His fabulous punting record shows 61 kicks for 2780 yards and a great 45.57 average. Wilson also pitched part of the season for Coach Art Reichle's Bruin baseball team. He transferred in UCLA from Santa Monica City College and started out as an end a year ago. He was third team All-City back at Venice Hi in 1954 under Coach Grayson Turney. Physical Education major. Phi Gamma Delta fraternity.

## RIGHT HALFBACK OR WINGBACK
## (LEFT HALF ON DEFENSE)

**JOHN ALBERT DAVIS**—Junior; one-year letterman at both wingback and fullback last year; played 58 minutes in 1957. A hustler but needs more experience. Has the speed to go "all the way", however. He carried the ball 12 times last fall for 37 yards and a 3.08 average; caught one pass for 17 yards; returned two punts 12 yards, one kickoff 38 yards. Attended Los Angeles City College before enrolling at UCLA. Won second team All-League honors at Belmont Hi, Los Angeles, in 1953 under Coach Felix Pennino. Education major. Kappa Alpha Psi fraternity.

**WILLIAM LeROY (BILL) MASON**—Junior; one-year letterman; played 276½ minutes at this position last year, finally winding up as first stringer after getting back into the swing of the single wing, following military service in the Army. He finished the season with 40 carries for 161 yards and a 4.03 average. He was also the No. 2 Bruin pass-receiver with nine for 160 yards and one touchdown, tops in both punt and kickoff returns (9 for 84 and 9.33 and 5 for 107 and 21.40) and intercepted three passes for no returns. He scored 12 points on two touchdowns. A former 9.7 sprinter, Mason could be a great one this fall with all the requisites of the ideal wingback—size, speed, blocking, pass-snatching ability, plus outstanding ball-carrying ability. He attended Ventura JC before enrolling at UCLA and earned All-Western State Conference football honors; and performed in both basketball and track. He starred in the same three sports at Oxnard Hi and won All-Ventura League grid honors under Coach Joe Saita. Business Administration major.

**PHILIP LEO (PHIL) PARSLOW**—Senior; two-year letterman; played 276 minutes at wingback last fall, mostly as a starter, also 53 in '56. Statistically, he was a bare step behind Mason. In ground-gaining, Parslow carried the ball 42 times for 156 yards and a 3.72 average; caught eight passes for 108 yards and one touchdown; was second in both punt and kickoff returns (7 for 62 and 8.85 average and 4 for 77 and 19.25 average) and intercepted one pass for a four-yard return. He scored one touchdown. Parslow and Mason should stage a hot battle for the top spot, but Mason's explosiveness may be the determining factor. Parslow, however, also has the size, speed and ability to "take over". He lettered in both football and track at both El Cerrito, Calif., Hi and at Mt. Diablo Hi

in Concord, Calif., the latter under Coach Rod Franz. Physical Education major. Phi Delta Theta fraternity.

**WILLARD H. (BILL) PENN**—Junior; one-year non-letterman; played 10½ minutes at left end last fall. A speedy runner and willing worker, Penn shows flashes of promise. He competed in both track and football at East Los Angeles JC before enrolling at UCLA. Prior to that, he won All-City honors at end in 1954 under Coach Jim Blewett at Manual Arts Hi. He also competed in track as a prep. His track specialty was 440. Physical Education major. Omega Psi Phi fraternity.

## FULLBACK (RIGHT HALF ON DEFENSE)

**ROBERT JAMES (BOB) BROWN**—Sophomore; transfer from Harbor JC. Brown showed flashes of promise in spring practice. Won All-City back honors at Narbonne Hi in 1956 under Coach Gordon Wells. Physical Education major. Phi Kappa Psi fraternity.

**ROBERT DUDGEON (BOB) MACKEY**—Junior; one-year nonletterman; played 17½ minutes as blocking back last fall. Shows some speed and ability and could make the grade as fullback although heft is against him. Moved to fullback in the spring. Competed in track and played football at San Pedro Hi under Coach Bob Tabing. Accounting major. Kappa Alpha Psi fraternity.

**NATHAN DeLYNN (SKIP) SMITH**—Junior; one-year Redshirt squadman who did not see action last fall because he was sitting out the transfer rule for having attended Univerity of Nebraska two weeks as a freshman. A two-year rugby letterman, Smith is a very promising runner who needs a lot of defensive work to put him at or near the top of the fullback heap. He could give the Bruins a fullback to go "all the way". Played prep football at Torrance Hi under Coach Don Porter, winning All-League "player of the year" honors in 1956. Physical Education major. Phi Delta Theta fraternity.

**RAYMOND EARL (RAY) SMITH**—Junior; one-year letterman; played 221½ minutes at this position last fall. Not noted for his speed, Smith nevertheless has a good start and strong line-bucking surge. A good worker and improving on defense. He and Skip (no relation) should stage a red-hot battle as the season wears on; but Ray will have an early edge because of his defensive experience. Last year he carried the ball 58 times for 277 yards and a 3.92 average; he also caught two passes for 38 yards and took two kickoffs for the same yardage; he also intercepted two passes and returned them 25 yards. He scored 18 points on three touchdowns. Physical Education major. Phi Kappa Sigma fraternity.

## HISTORY OF UCLA

MOST American universities date back many ivy-covered years and some, like William and Mary or Harvard, trace their antecedents to Revolutionary times. But the University of California at Los Angeles (UCLA for short), is only 39 years old. Its 400-acre campus, set against the Santa Monica Mountains with the blue Pacific in the background, is even newer.

What in 1928 was a lonely bean field dotted with live oaks and sycamore, is now a busy center of study and research, extra-curricular student activities and bustling construction.

Despite the high entrance requirements, its enrollment has mushroomed to more than 16,700 students—making it one of the top 10 in the nation in size of enrollment.

UCLA is the second largest campus in point of enrollment among the eight campuses of the state university, which is headed by President Robert Gordon Sproul.

Raymond B. Allen is Chancellor at UCLA. He heads a faculty of 1906 and a staff of 4300.

In contrast to older American universities which have been building for a century or more, UCLA erected its physical plant during a single generation. Its post-war buildings are constructed of the same materials and share the same architectural feelings as the older buildings.

While physical expansion is the most astonishing single fact about the Los Angeles campus, it has grown rapidly and vigorously in instruction and research—helping the state-wide University of California to maintain its place as one of the "Big Five" in American education, along with the Harvard, Yale, Columbia and Chicago.

In the field of science, UCLA is one of the leading centers in the world for the study of acoustical physics and physical organic chemistry. It is one of seven universities in the United States that train meteorologists for the Army, Navy and Air Force. Its College of Engineering carries on significant studies in aeronautics, ceramics, heat transfer, traffic and transportation

and other fields. UCLA's department of astronomy offers the only rocket navigation curriculum in the world. Its College of Agriculture draws students from all over the globe to study subtropical horticulture and floriculture. UCLA's Medical Center, completed in 1954, at a cost of $22,000,000, is expected to set the pattern for the Atomic Age.

In the humanities, UCLA has a distinguished record also. Its School of Business Administration, established in 1954, now attracts 1,500 students and is one of the finest in the country. Construction was recently completed on the Western Data Processing Center, the world's first university computer center devoted primarily to the study of complicated business management problems. Made possible by a grant from IBM, it will be a part of the Graduate School of Business Administration. Its Law School boasts the largest enrollment on the Pacific Coast. UCLA's Library ranks 16th in size on a national scale. The Department of Theater Arts combining drama, television and motion pictures, is one of the most outstanding in the United States.

### DR. RAYMOND B. ALLEN
### UCLA Chancellor

Dr. Raymond B. Allen came to UCLA in 1952 and was its first chief administrator to bear the title of Chancellor.

After receiving an M.D. at the University of Minnesota in 1928, Chancellor Allen began his career as a physician and surgeon in North Dakota. In 1934 he received his Ph.D. in surgical urology from the Mayo Foundation Division of the University of Minnesota's Graduate Division. After that he held a series of medical deanship posts at Columbia University, Wayne University, and the University of Illinois.

In 1946 the University of Washington was looking for a president to direct its postwar expansion program and it sent for Dr. Allen. He served there with distinction until he was called to government service as Director of the Psychological Strategy Board in Washington, D. C., a top-secret cold war agency. He was in Washington when the University of California Regents, following a year's intensive search for the right man, asked him to assume the duties as Chancellor of UCLA.

Now in his sixth year at UCLA, Dr. Allen has shown himself to be both an outstanding leader and administrator. His accomplishments in that brief space of time have won for him the warm respect and affection of students, faculty and alumni alike.

### WILBUR JOHNS (UCLA '25)
### Director of Athletics

This is Wilbur Johns' 12th years as UCLA's athletic director. He succeeded Bill Spaulding in 1947. UCLA's athletic program has grown and prospered under his leadership. He is highly respected in NCAA and PCC circles, currently serving as chairman of the NCAA Extra-Events Committee and PCC treasurer. He was duly recognized for his service to his Alma Mater by receiving the 1955 UCLA "Alumnus-of-the-Year Award."

Wilbur was head Bruin basketball coach for nine seasons (1940-1948), with his teams winning the 1945 and 1947 PCC Southern Division titles. He previously served at UCLA as

Caddy Works' varsity and frosh cage coach following his graduation in 1925. He lettered in basketball, tennis and swimming at UCLA, including the captaincy of the 1925 Bruin basketball varsity.

He prepped at Glendale High where he starred in basketball, baseball and tennis. A broken arm in two successive football seasons made him forego the grid sport. He's married to the former Idelle Robelen and they have a daughter, Peggy, and a husky young son, Mike. Wilbur is also the proud grandfather of Dennis, 4, and Jennifer, 1½, his daughter's children.

Listed below are the 18 UCLA athletic teams under Johns' direction, with the head coach of each sport listed in parenthesis: Baseball (Art Reichle) Basketball (John Wooden), Crew (Bob Schaeffer), Cricket (Joe Drury), Cross Country (Craig Dixon), Football (Red Sanders), Golf (Vic Kelley), Gymnastics (Ralph Borrelli), Rifle (Sgt. Hubert Stoetzer), Rugby (Ged Gardiner), Sailing (Lt. Harold Brown), Soccer (Jock Stewart), Swimming (Don Park), Tennis (J. D. Morgan), Track & Field (Ducky Drake), Volleyball (Glen Egstrom), Water Polo (Don Park) and Wrestling (Briggs Hunt).

## DR. BRADFORD BOOTH
### PCC Faculty Representative

Victorian literature and American football are combined very harmoniously by Dr. Bradford Allen Booth, professor of English and UCLA's faculty representative in the PCC. He officially succeeds Dr. Joseph Kaplan at this post. Actually, last year he virtually carried on for Dr. Kaplan, because of the latter's important and time-consuming position of Chairman of the United States National Committee for the International Geophysical Year (1957-58).

"I've missed only one game in the 22 years I've been at UCLA," says the author of the recently published "Anthony Trollope: Aspects of His Life and Art," a series of essays on one of the Victorian period's most prolific novelists. "And I wouldn't have missed that game if I hadn't been out of the state."

Dr. Booth did his undergraduate work at Allegheny College in Meadville, Pa., graduating in 1930. He received his M.A. and Ph.D. from Harvard University in 1932 and 1935 and then accepted a Dexter Fellowship from Harvard for special research at Oxford and the British Museum.

Dr. Booth's first teaching job was at the University of Tennessee where he taught English for one year before coming to UCLA in 1936.

Though he confines his participation in football to the role of a spectator, he is a very active participant in tennis and golf. Dr. Booth, of course, is a chronic reader, especially of Victorian literature, as his forthcoming edition of "The Letters of Robert Lewis Stevenson" demonstrates.

He holds the distinction of being the only male in his family, being happily surrounded by his wife, Josephine, and his three daughters, Barbara, 16, Celia, 13, and Carol, 8.
